

(7) If the employee is in the process of separating, the NRC will submit its debt claim to the paying agency as provided in paragraphs (a) (2) through (5) of this section. The paying agency will certify any amounts already collected, notify the employee, and send a copy of the certification and notice of the employee's separation to the NRC. If the paying agency is aware that the employee is entitled to Civil Service Retirement and Disability Fund or similar payments, it will certify to the agency responsible for making the payments that the employee owes a debt (including the amount) and that the provisions of this part have been followed. The NRC will submit a properly certified claim to the agency responsible for making such payments so collection can be made.

(8) If the employee has already separated and all payments due from the paying agency have been paid, the NRC may request, unless otherwise prohibited, that money payable to the employee from the Civil Service Retirement and Disability Fund or other similar funds be collected by administrative offset.

(b) *The NRC as the paying agency.* (1) Upon receipt of a properly certified debt claim from another agency, the NRC will schedule deductions to begin at the next established pay interval. The employee must receive written notice indicating that the NRC has received a certified debt claim from the creditor agency, the amount of the debt, the date salary offset will begin, and the amount of the deduction(s). The NRC may not review the merits of the creditor agency's determination of the validity or the amount of the certified claim.

(2) Upon receipt of an incomplete debt claim from a creditor agency, the NRC will return the debt claim to the creditor agency with a notice that procedures under 5 U.S.C. 5514 and 5 CFR part 550, subpart K, must be followed and a properly certified debt claim received before action will be taken to collect from the employee's current pay account.

(3) If the employee transfers to another agency after the creditor agency has submitted its debt claim to the NRC and before the debt is collected

completely, the NRC will certify the total amount collected. The NRC will furnish one copy of the certification to the employee. The NRC will furnish a copy to the creditor agency with notice of the employee's transfer.

§ 16.15 Procedures for salary offset.

(a) Deductions to liquidate an employee's debt will be by the method and in the amount stated in the NRC's notice of intention to offset as provided in § 16.7. Debts will be collected in one lump sum where possible. If the employee is financially unable to pay in one lump sum, collection must be made in installments.

(b) Debts will be collected by deduction at officially established pay intervals from an employee's current pay account unless alternative arrangements for repayment are made.

(c) Installment deductions will be made over a period not greater than the anticipated period of employment. The size of installment deductions must bear a reasonable relationship to the size of the debt and the employee's ability to pay. The deduction for the pay intervals for any period may not exceed 15% of disposable pay unless the employee has agreed in writing to a deduction of a greater amount.

(d) Offset against any subsequent payment due an employee who retires or resigns or whose employment or period of active duty ends before collection of the debt is completed is provided for in accordance with 31 U.S.C. 3716. These payments include but are not limited to final salary payment or lump-sum leave due the employee from the paying agency as of the date of separation to the extent necessary to liquidate the debt.

§ 16.17 Refunds.

(a) The NRC will refund promptly any amounts deducted to satisfy debts owed to the NRC when the debt is waived, found not owed to the NRC, or when directed by an administrative or Judicial order.

(b) The creditor agency will promptly return any amounts deducted by NRC to satisfy debts owed to the creditor agency when the debt is waived, found not owed, or when directed by an administrative or judicial order.

Nuclear Regulatory Commission

§ 19.2

(c) Unless required or permitted by law or contract, refunds under this section may not bear interest.

§ 16.19 Statute of limitations.

If a debt has been outstanding for more than 10 years after the agency's right to collect the debt first accrued, the agency may not collect by salary offset unless facts material to the Government's right to collect were not known and could not reasonably have been known by the NRC official or officials who were charged with the responsibility for discovery and collection of the debts.

§ 16.21 Non-waiver of rights.

An employee's involuntary payment of all or any part of a debt collected under these regulations will not be construed as a waiver of any rights that the employee may have under 5 U.S.C. 5514 or any other provision of contract or law, unless there are statutes or contract(s) to the contrary.

§ 16.23 Interest, penalties, and administrative charges.

Charges may be assessed for interest, penalties, and administrative charges in accordance with the Federal Claims Collection Standards, 4 CFR 102.13.
